

WHAT IS BBQARM?

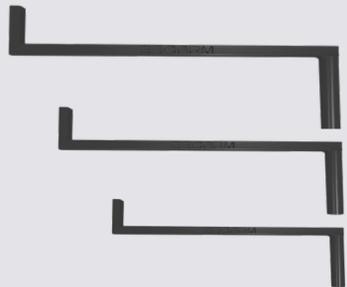

The ORIGINAL Swing Arm BBQ Table

BBQARM is the must-have caravan and travel accessory for your outdoor barbecues.

Australian designed and built on the Gold Coast, this space-saving innovation simply mounts to your caravan drawbar or rear bar to create a sturdy 'out of the way' place for your BBQ. Swing it away when not using.

With our TOW-HITCH mount, use your BBQARM anywhere you travel with or without your caravan.
